## Eagle Volleyball Camp

The Eagle Volleyball Camp is designed to create an excitement and passion for the sport of volleyball. It will assist players in each aspect of the game while combining hard work with some fun.

The players will be given an opportunity to develop their skills in a positive environment. No matter the skill level, they will be challenged to improve and to push themselves to the next level of play.

**Items to bring:** gym attire, cross-training/volleyball shoes, knee pads, and personal water bottle (snacks provided)

(If part of the Madison High School program, we require black knee pads.)

## Camp Philosophy

Our camp philosophy is to teach both basic and advanced skills of volleyball through organized instruction. Instruction will be given in the individual skills of serving, passing, setting, attacking, digging, and blocking.

It is important to us to create a positive environment that will not only build skills but build each athlete as a person and teammate. This is done through encouragement, challenges, and desire to play with excellence.

## Camp Liability Waiver

In the event of an injury or illness to the minor attending the volleyball camp, which requires immediate examination or treatment in the opinion of the facility monitor; and if the authorized person noted above cannot be contacted, I, as the parent or legal guardian of the above named minor, authorize and direct that camp officials on my behalf may transport him/her by car or ambulance to a local hospital. I authorize any necessary emergency treatment for him/her by any doctor on call. I understand that camp officials assume no financial responsibility for medical care or ambulance transportation. I release the Madison High School, District Coaches, Madison District Public Schools, and Skillz Finest TNL Inc. from any liability for any incident my child may incur while participating in the camp, practice, or game. I also verify that he/she is in good health and able to fully participate in the camp.
